

Higher Education Act

Chapter 1 Initial Provisions

Section 4 The operations of higher education institutions shall be arranged to ensure that high standards are attained in courses and study programmes and in research. [...]

Section 8 [...] First-cycle courses and study programmes shall develop:

- the ability of students to make independent and critical assessments
- the ability of students to identify, formulate and solve problems autonomously, and
- the preparedness of students to deal with changes in working life.

Section 9 [...] Second-cycle courses and study programmes shall [...]:

- further develop the ability of students to integrate and make autonomous use of their knowledge
- develop the students' ability to deal with complex phenomena, issues and situations, and
- develop the students' potential for professional activities that demand considerable autonomy, or for research and development work.

Rules for Preparatory-, First- and Second-Cycle Summative Assessments at BTH

(Update decided on 2026-04-20, effective from 2026-05-01)

4.1 Authorised Aids and Working Methods During Summative Assessments

[...] The use of generative artificial intelligence (AI) as support in summative assessments is permitted unless otherwise stated, and any restrictions on the use of generative AI must be stated in the information provided prior to the start of the course and at the time of the assessment. [...]
